Artisan Media

Established in 1996

174 Tallgrass Crescent
Winnipeg, MB R3X 0E2

Tel: 204.227.0330
artisanmedia.ca

Artisan Media is a leading full-service, multi-disciplinary production company founded in 1996 by David Wowchuk. Dave has over 16 years of experience in video production, live-event production, graphic design, and website design. Dave also works in the film & television industry as a freelance DP, camera operator & Steadicam operator.

We've worked in just about every industry imaginable, most of our experience is in video production, graphic design, and website design. We provide solutions for marketing, training, and / or internal communications, product launches, demonstrations, tradeshow, training & orientation, and advertising. We also provide event coverage for corporate & business events, training sessions, and meetings.

Bar One Ranch Studios

Established in 2009

Tyndall, MB

baroneranchstudios.com

The back lot is within 30 minutes of Winnipeg, yet far enough outside of Winnipeg to qualify for the rural tax credit bonus. The land was acquired and the back lot was developed to provide a western style facility for the purpose of providing a location to film western type productions.

Phase 1 of the privately owned western town is complete and features 75 acres of pristine vistas; two lagoons; creek; bridge; forest and access to picture horses, animal wranglers and wagons. Property is within production zone and rural zone. This facility will be further developed to meet production requirements.

Insurance is required in making and selling films and the mystery and intangibility of it can sometimes cloak the process. Multimedia Risk can help clarify and fully explain all relevant options from simple to complex E&O and production insurance.

For the micro budget feature to the action blockbuster, Multimedia Risk can design a package to fit coverage requirements and financial objectives for any budget level.
