Level 1 overview

To encourage the production of a high-quality recording by individual non-Manitoba recording artists or groups, which may be used as a demo or released commercially. Applicants may apply to record a minimum of one (1) song. The program will only allow for tracking in a non-accredited facility (such as a home studio, jam space, etc.) if the project is done in partnership with a local accredited studio, where the accredited studio is serving as the producer or mixer. Manitoba Film & Music's contribution will be in the form of a grant. Artists may only access this program once per fiscal year (April 1–March 31).

Demo: A demo is defined as a recording not intended for release or sale through any medium, including streaming. The project plan will highlight what the demo will be used for including: studio experience; soliciting an agent, manager, publicist, etc.; application to festivals, and so on. Production support is available up to 75% of the total approved budget, to a maximum of **\$2,000**.

Commercial release: A commercial release is defined as a recording intended for sale through any and all media. The marketing plan will highlight where it will be released, how it will be promoted, tour plans, etc. Production support is available up to 75% of the total approved budget, to a maximum of **\$3,000**.

LEVEL 2 PROGRAM - EP or FULL-LENGTH ALBUM

Level 2 overview

To encourage the production of recordings of five (5) or more songs by individual non-Manitoba recording artists or groups to be released for sale through any and all media. Manitoba Film & Music's contribution will be in the form of a grant and may be up to 50% of a project's total budget, to a maximum of **\$10,000**. Tracking must occur at an accredited recording studio. Mixing must occur at an accredited studio to be an eligible expense. Mastering can occur at any facility. The recording must be commercially released following its completion.

Evaluation Process

Jury procedures and assessment: All projects will be submitted to a jury of peers for evaluation and must be approved by two juries unanimously. All submissions are evaluated based on the quality of the music, lyrics, vocals, musicianship, originality, radio airplay and sales potential, production team, artist history, touring plan, and particularly the marketing plan.

Timeline for approvals/decline notices: Processing and evaluation of applications will commence as soon as possible after the deadline dates. Manitoba Film & Music will endeavor to notify all applicants of the results within eight weeks.

Eligible Expenses

Eligible expenses: All expenses directly related to the production of the recording may be eligible (for example: Manitoba recording studio and mixing costs, artist fees, producer fees, mastering, manufacturing, etc). These expenses must be set out in advance in a budget submitted along with the application, and approved by Manitoba Film & Music prior to the commencement of recording.

Any expenses incurred more than thirty (30) days before the application is submitted will not be accepted.

Per diems and artist fees: Per diems are capped at \$45 per musician, per day in the studio. Artist fees are capped at \$300 per day in the studio. Musicians can only claim artist fees and per diems for tracking the recording, not mixing or mastering. These may be paid in cash and submitted for cost reporting purposes on a single receipt per person, for the full amounts paid out. Artist fees may be included as a donated service, paid expense, or a combination of the two, not to exceed \$300 per day*. In order to claim artist fees and per diems, a valid receipt signed by the recipient must be included in the final reporting.

*Manitoba Film & Music will permit an applicant to pay higher rates but will only allow the maximum of \$300 per day to be claimed as an eligible artist services day rate expense.

Donated Investment: Donated investment will be recognized as an eligible cost. Manitoba Film & Music will recognize up to a maximum of 25% of the final accepted total costs of the project in donated investment. Artist fees may be donated to a maximum of \$300 per day, per person performing, and a valid signed receipt must be submitted for cost reporting. If the full artist fee is claimed as donated, then no paid portion will be eligible. Only those donated expenses which appear on invoices shall be accepted.

Admin fee: An Administrative Fee is recognized as an eligible cost. Manitoba Film & Music will recognize up to a maximum of 15% of the final accepted total costs of the project or \$1500, whichever is lower, as the Administrative Fee.
